**\*Section III.B.2.g. of the FY 2021 NOFO defines a DedicatedPLUS project as follows:**

- g. DedicatedPLUS Project.* A permanent supportive housing project where 100 percent of the beds are dedicated to serve individuals, households with children, and unaccompanied youth (including pregnant and parenting youth) that at intake meet one of the following categories:
- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
  - (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
  - (3) residing in a place not meant for human habitation, emergency shelter, or Safe Haven and had been admitted and enrolled in a permanent housing project within the last year but were unable to maintain a housing placement and met the definition of chronic homeless as defined by 24 CFR 578.3 prior to entering the project;
  - (4) residing in transitional housing funded by a Joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3;
  - (5) residing and has resided in a place not meant for human habitation, Safe Haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions and the individual or head of household meet the definition of 'homeless individual with a disability'; or
  - (6) receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds were dedicated to chronically homeless individuals and families, as described in Section III.B.2.b, under the grant that is being renewed may either become a DedicatedPLUS project or may continue to dedicate 100

percent of its beds to chronically homeless individuals and families. If a renewal project that has 100 percent of its beds dedicated to chronically homeless individuals and families elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93.

Projects that were awarded as DedicatedPLUS in a previous CoC Program Competition are required to include households with children to qualify as a DedicatedPLUS project in the FY 2021 CoC Program Competition.
