

PURPOSE OF **DATA COLLECTION**

Information gathered by this agency may be included in the Toledo Homeless Management Information System (HMIS), a centralized database. The information may be disclosed to authorized agencies for the following purposes only:

1. Provide individual case management;
2. Produce aggregate-level reports regarding use of services;
3. Track individual program-level outcomes;
4. Identify unfilled service needs and plan for the provision of new services; and
5. Allocate resources among agencies engaged in the provision of services.
