**HOMELESS SOLUTIONS PLAN KEY PRINCIPLES AND GOALS**

- ❖ Housing – Develop 750 PSH units and 1,800 affordable housing units

10 Year Goal	PSH Units Open (2013)	PSH Units to be Developed
750	598	152

- ❖ Poverty Reduction – Increase income from employment & benefits
- ❖ Homelessness Prevention – Coordinate public & private resources for prevention
- ❖ Multi-System Response – Case management framework, liaisons with other systems
- ❖ Governance – Data driven decisions & effective use of public & private resources

**HEARTH ACT OBJECTIVES**

- ❖ Reduce entry to homelessness
- ❖ Reduce length of time household is homeless
- ❖ Rapidly exit households from homelessness to permanent housing
- ❖ Provide services to households in their home to achieve housing stability and prevent returns to homelessness
- ❖ Focus on income and employment

## FRONT DOOR ASSESSMENT PRINCIPLES

- ❖ Rapidly exit people from their homelessness to stable housing
- ❖ Ensure that the hardest to serve are served
- ❖ Serve clients as efficiently and effectively as possible
- ❖ Be transparent and accountable throughout the referral and assessment process

## FRONT DOOR ASSESSMENT ACCOMPLISHMENTS

- ❖ Everyone has a housing plan – providers fill all openings with Front Door referrals
- ❖ Closed the ‘side doors’ into CoC programs so all homeless system resources are available to people who are homeless in shelter or on the street

KEY: \* = under development      Program name highlighted in **YELLOW** = program opened after adoption of Homeless Solutions Plan

- ❖ Developed PSH priorities to target most vulnerable households including unsheltered, long-stayers, medically fragile, youth and elderly
- ❖ Opened HMIS between providers to increase case management coordination and improve data quality
- ❖ Have client-centered data for system planning – programs with low occupancy have closed, resources have been refocused to serve similar populations in other programs
- ❖ Reduced chronic homelessness by 50% since Homeless Solutions Plan adopted
